I provided you a copy of the proposal and ORC comments. Should I schedule an update with ORC and team for next wk? I'm out on leave Monday and in Sac at qtr meeting with Navy and regulators all day Tuesday. Harry is here in Monday if you want to meet before Wed. Either way, I can schedule something in your calendar.

Alexis and Enrique,

Attached are comments we submitted through [Regulations.gov](https://www.regulations.gov) on the proposed listing of the Anaconda Site on the NPL. As we've shared with your staff and with BLM, we have reached agreement with ARC on a framework for deferral of NPL listing. We would ask that EPA begin negotiation of a deferral agreement with us as soon as possible. We know there are issues between ARC and EPA that will need to be negotiated and resolved as well. Thanks.

Dave
